KILL FOR LOVE

by

Malcolm Richards

The game of love can be murder...

When shy student Wendy is found bludgeoned to death, her classmate Bridget is the chief suspect. But what turns a caring teenager into a cold-blooded killer?

Private eye Emily Swanson is desperate to find out. Bridget is the little sister of Emily's oldest friend, and with no motive or history of violence, her role in the crime doesn't add up. Until Emily's investigation leads to a horrifying discovery.

A psychopath is stalking online dating sites, searching for young women to play his sick and twisted games. Games that turn innocent victims into killers.

To clear Bridget's name, Emily must enter the dark world of online catfishing. But can she catch a maniac who doesn't appear to exist—before she becomes his next fatal obsession?

Dark, suspenseful, and packed with twists and turns, Kill for Love brings the Emily Swanson series to a shocking and dramatic conclusion.
