# NEXT TO DISAPPEAR

by

**Malcolm Richards**

**Not every missing person is meant to be found...**

When troubled nurse Alina vanishes one night, it's assumed she ran away from her violent husband. Until disgraced ex-teacher Emily Swanson moves into the couple's former home.

Emily's life is in ruins and she's meant to be making a fresh start. But when she learns about the missing nurse, she sees a chance for redemption. Because finding Alina could help right the wrongs of Emily's past. All she needs to do is follow the clues.

But what Emily doesn't know is that Alina had a horrifying secret. One about the care foundation she worked for. And the closer Emily gets to uncovering the truth, the closer she gets to terrible danger.

*Inspired by a shocking true crime, Next to Disappear is the first book in a twisty British mystery and suspense series from Malcolm Richards.*
